

PAB

PRODUCT INFO

DESIGNER: STUDIO KAIROS

TPOLOGY: WALLSYSTEMS

COLLECTION: B&B ITALIA

YEAR: 2005

DESCRIPTION

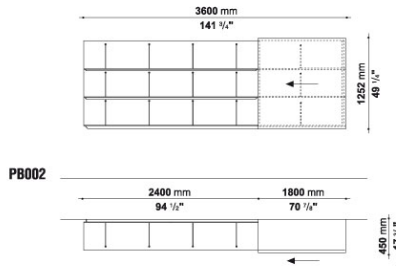

IT IS THE RESULT OF A VERY SIMPLE IDEA: A SHEET FOLDED IN HALF AND RESTRAINED BY LIGHT TIES, DESIGNED TO BE USED AS A BOOKSHELF AND TOP. IN TIME, PAB HAS BECOME A VERY SUCCESSFUL SYSTEM, AND HAS GROWN FROM THE ORIGINAL PROJECT INTO THE WIDE RANGE OF CONFIGURATIONS AND DIFFERENT FINISHES THAT MAKE UP THIS YEAR'S CURRENT VERSION. BESIDES THE SHELF AND BACK PANELS, A SERIES OF STORAGE UNITS AND A NUMBER OF MULTI-PURPOSE BENCHES ARE NOW AVAILABLE. FINISHES MAKE UP AN IMPORTANT PART OF THIS IDENTITY. THE VAST CHOICE OF FINISHES AND HUES, ALONG WITH THE VARIETY OF FURNISHING ELEMENTS, MAKES IT POSSIBLE TO OBTAIN PERSONALISED, MADE-TO-MEASURE SOLUTIONS.
