

Caratteristiche: Modello molto confortevole di linea rigorosa ed elegante. La collezione è composta da una ampia serie di elementi componibili, dalla chaise longue, da angoli di diverse misure e forme, da pouf anche di grandi dimensioni. Completano il programma 4 differenti misure di divani fissi e la poltrona. Può essere corredato da cuscini schienali rettangolari confezionati double-face anche con due tessuti diversi ma coordinati fra loro. Si fornisce anche un pratico poggiatesta che permette di aumentare la già elevata comodità e che consente un perfetto relax. Gli elementi componibili vengono forniti di serie di un pratico sistema di aggancio. Il rivestimento è completamente e facilmente sfoderabile. **Struttura:** Fusto in legno massello e multistrato, imbottito in poliuretano espanso indeformabile a densità differenziata, molleggio con nastri elasticci intrecciati. Prerivestimento con Velfodera accoppiata con fibra poliestere. Piedi in fusione finitura nickel opaco oppure finitura chrome con supplemento prezzo. **Imbottiture cuscini:** Schienali in poliuretano espanso indeformabile a densità differenziata e fibra poliestere. Cuscini di seduta in Waterlilly™ (prodotto schiumato di nuova concezione, a base di acqua, autoestinguente, prodotto senza C.F.C., ecologico, progettato per essere riciclabile) a densità differenziata più fibra poliestere Dacron® DuPont Gold-Filigrana™. Tutte le imbottiture sono interamente prerivestite con tela bianca.

Features: A very comfortable model with a rigorous, stylish line. This collection comprises a broad range of sectional items, from the chaise longue, to corner units of different sizes and shapes, and poufs of even very large sizes. Four different sizes of fixed settees and armchair complete the programme. It can be equipped with rectangular backrest cushions which are reversible even with two different, but matching, fabrics. There is a handy headrest to increase what is already a high level of comfort and allow perfect relaxation. The sectional elements are supplied as standard with a practical hooking system. The cover is completely, and easily, removable. **Framework:** Frame in solid wood or plywood padded with non-deformable differentiated density expanded polyurethane, sprung with interwoven elastic belts. Lining with Velfodera coupled with polyester fibre. Cast feet with a matte nickel finishing, or chrome finishing with extra charge. **Cushion padding:** Backrests in non-deformable differentiated density expanded polyurethane and polyester fibre. Seat cushions in Waterlilly™ (foamed product of new design, water-based, self-extinguishing, made with no CFCs, ecological, designed to be recycled) with differentiated density plus Dacron® DuPont Gold-Filigrana™ polyester fibre. All the padding is fully lined with white fabric.
