

# EXCLUSIF 2

Design by  
Didier Gomez

## Description

The model Exclusif is now complemented by a new version on legs, named Exclusif-2. These new 13 cm high legs, in a black chromed finish, do not affect the overall dimensions of each item.

Exclusif-2, with an 'international' 248 cm wide large settee resting on a black chromed base, brings to the collection an almost incomparable level of elegance & refinement. With this type of base, it is recommended to use the square armrests which are lower (also for the medium settee). Thus, the two models are very different & yet complementary in terms of sales.
