MEX-HI

2020
PIERO LISSONI

ENG An array of pre-defined arrangements of the model already in the residential collection designed by Piero Lissoni, perfect for lobbies, lounges and reception areas. Mex-Hi is a versatile modular system that adapts to different spaces thanks to the variety of elements and configurations available. Its large volumes are defined by soft, extremely comfortable padding. The frame is made of tubular steel equipped with elastic webbing; the upholstery is removable.

ITA Una selezione di composizioni chiuse del modello già presente nella collezione residenziale disegnato da Piero Lissoni perfette per lobby, lounge e spazi di accoglienza. Mex-Hi è un sistema modulare versatile che si adatta a diversi spazi grazie alla varietà di elementi e configurazioni disponibili. Gli ampi volumi sono definiti da un'imbottitura morbida, estremamente confortevole. La struttura è in tubolare di acciaio dotata di cinghiature elastiche; il rivestimento è sfoderabile.

FRA Une sélection de compositions fixes du modèle déjà présent dans la collection résidentielle dessinée par Piero Lissoni, parfaites pour les halls, les espaces lounge et d'accueil. Mex-Hi est un système modulaire et modulable qui s'adapte à différents espaces grâce à la diversité des éléments et des configurations disponibles. Ses grands volumes se caractérisent par un rembourrage souple, extrêmement confortable. La structure en acier tubulaire est équipée de sangles élastiques ; le revêtement est amovible.

DE Eine Auswahl von kompletten Kompositionen des Modells sind bereits in der Kollektion von Designermöbeln von Piero Lissoni enthalten, perfekt für Lobbies, Lounges und Empfangsräume. Mex-Hi ist ein vielseitiges modulares System, das sich an unterschiedliche Anforderungen anpasst Räume dank der Vielzahl der verfügbaren Elemente und Konfigurationen. Seine großen Volumina sind definiert durch weiche, extrem bequeme Polsterung. Das Gestell ist aus Stahlrohr, versehen mit elastischen Gurten; der Bezug ist abziehbar.
