note 1

note 2

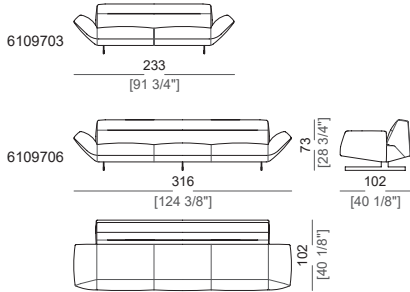

note 3

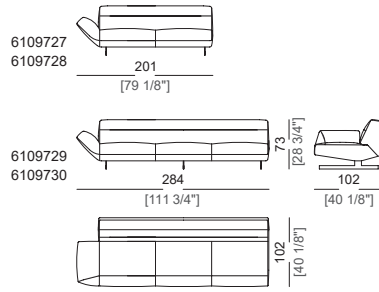

1. If the thin leather arm is added to the unit, the length of the unit will be increased by 10 cm. **ATTENTION:** the arm in leather is not included in the price of units and compositions
2. By some compositions the standard feet where the two units are joined are replaced by central feet.
3. It is possible to replace the seam of the back with a decorative metal zip with an extra charge
