

AIR

This tempting lounge collection with big, comfortable cushions is an invitation for a cosy get-together and a real eye-catcher on the patio or in the house. The collection effortlessly adjust to any style: the version in powder coated stainless steel and with exotic Iroko wood top plate emanates the charming warmth that smoothly takes you back to the 70s. The option with aluminium top plate creates a contemporary and austere style. Air seduces people and turns every moment into a genuine outdoor party.
