DESCRIPTION

Inspired from tree branches, the Branch collection looks fluid and organic. Behind the airy, casual appearance lies a sophisticated design and well thought-out materials. The aluminium cast frame is combined with a seat and backrest in polypropylene, reinforced with glassfiber. Both materials are easy to maintain, recycable and optimally weather-resistant.

MATERIALS

- Frame: aluminium, double coated (primer and polyester powder)
- Seat & back: polypropylene reinforced with glassfiber, UV-resistant
- Table tops tables: aluminium, Indonesian plantation teak or granite
- Table tops low tables: Indonesian plantation teak, lightened concrete or granite
- Seat beach chair & lounger: Batyline® available in white, silkgrey and wengé. For the beach chair a selection of fabrics (cfr page 5)
