SQUARING

design Giuseppe Viganò

Una scelta progettuale che privilegia la modernità delle forme geometriche, giocando con le volumetrie degli elementi. Grazie al rivestimento su ogni lato, Squaring può essere collocato perfettamente anche a centro stanza.

Disponibile nella versione letto singolo o matrimoniale, è abbinabile con una ricca famiglia di accessori ed è realizzato in diverse varianti formali: Squaring dormeuse, Squaring basso, Squaring alto, Squaring isola, Squaring isola alta, Squaring penisola. Il rivestimento, completamente sfoderabile, è realizzato in tessuto, skay (ecopelle) e pelle. I piedini sono in legno color grigio antracite o, a richiesta, color moka.
