YALE BED

Designed by Jean Marie Massaud

Jean Marie Massaud's latest creations were conceived for a functional and contemporary home, expressing a style and a way of living in which formal simplicity doesn't exclude creativity, quality, innovation and a sophisticated aesthetics.

The designer extends Yale X's project idea to the night area, proposing again Yale's softness and comfort for the headboard, as well as the refined aesthetics of the sofa's stand as the hallmark of the bedframe.

The bed concept means a welcoming headboard, capable to offer the best comfort to relax, read or watch TV, a good mattress and a comfortable pillow.

The bed is offered in two different versions – with low headboard h 90 cm and with high headboard h 103 cm – with fabrics or leather coating, to meet different comfort needs and taste requirements.
