DESCRIPTION

The airy design and the warm combination of teak and the soft woven straps, give the Mood collection an amazingly natural charm. The backs are handwoven with Tricord yarn that consists of polyolefin and polyester. The material is weather-resistant, but has nevertheless a very natural look and feel. The soft, rounded design of the table and chairs will immediately create an intimate atmosphere on your patio.

MATERIALS

- Frame : plantation teak from East-Java, every part is handpicked during the cutting process of the tree.
- Back : weaving with Tricord® on an aluminium powdercoated frame.
Tricord consists of an indestructible polyester core and an outside covering of weather resistant polyolefin. It is the ultimate combination of the strength of polyester and the natural look and feel of polyolefine: strong on the inside, soft on the outside. Tricord is exclusively designed for Tribù and is UV-, mildew and rot resistant. The backs can be replaced individually.
- Cushions : water-repellent filling, UV-resistant outdoor fabric.
