BENCHES

Antonio Citterio

Description

The Caratos range has grown and is ever expanding - providing a rich collection of ideas for the most diverse environments. The common thread of each piece is their recognisable die-cast aluminium base. In addition to the chairs and armchairs presented in 2017, Caratos presents a small armchair with armrest, an armchair, a tub armchair, two stools with swivel seats, a bench, an ottoman and a coffee table. The graphite and amber metal frames are accompanied by blue, amaranth, and cream painting, which complement the fabric covers. Noteworthy is the introduction of a soft, deep pile wool velvet that creates a "teddy bear" effect. With this new collection, Caratos proves to be a group of flexible products that will reveal new future surprises.
