Designer

Jasper Morrison

Londra 1959

Born in London in 1959, he graduated at the Royal College of Art and established his first design office in 1986. Immediately after this, he began his lasting and useful cooperation with Cappellini; nowadays, he works in London and in Paris for high level companies such as Alessi, Flos, Rowenta, Sony and Samsung. Each Morrison's project has a minimal elegance which makes it strongly modern being a sort of archetype linked to past, favouring function on expression.
