
B&B Atoll

ARMCHAIRS

Antonio Citterio

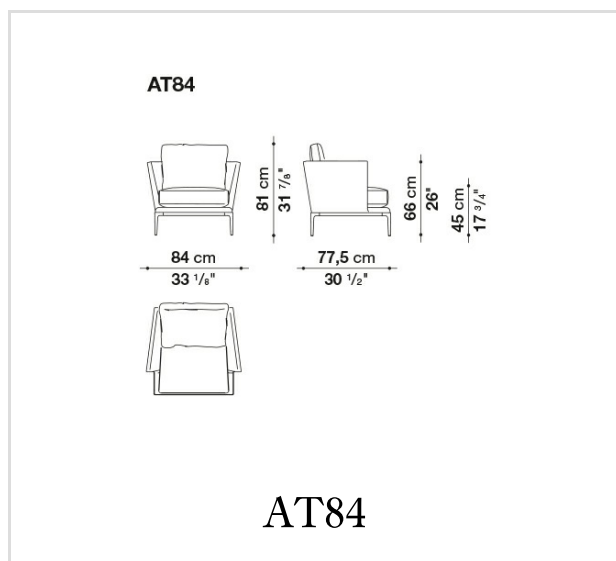

Description

The latest addition to the B&B Atoll seating range is this new small armchair. Agile and elevated in design, its thin metal legs evoke the style of the sofa and are ideally complemented by the characteristic shape of the cushions, which harmonise linearity with softness. The backrest and seat are characterised by two soft cushions that rest on a slightly inclined frame, providing the ideal balance between comfort and functionality.

Technical information

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
