Kettal Bitta is characterised by a combination of aluminium frames, seats of braided polyester and comfortable cushions, teak and stone for the table tops. My aim was to create dense braiding that would still let the air through, reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means 'mooring' in Italian), which makes the pieces look lightweight but, at the same time, they look just like cosy nests in natural colours to sit back and relax in.

## Maintenance

Clean with mild soap using  
sponge or cloth. Be gentle  
while cleaning, do not scrub  
aggressively the fabric. Once  
cleaned please make sure you  
remove soap excess.

In case of aggressive stains  
clean with diluted household  
bleach.

Clean stains promptly. The  
longer it remains, more difficult  
will be to remove.

Once cleaned the fabric steam  
iron the fabric. Just use steam,  
be carefull NOT placing the  
iron directly in the fabric it will  
get damage.
