

Ghost Pouf

By Paola Navone

The Ghost pouf family has geometric shapes and consistent and structured dimensions. Available with a padded structure in multi-density polyurethane foam or in polystyrene, the Ghost poufs have as their main feature the removable cover, an oversize housse whose shape is underlined by the visible stitching, allowing it to be put on and taken off in a flash. A textile product that easily changes appearance, allowing you to go from a formal to an informal look with ease and speed.
