

Il designer giapponese, Kensaku Oshiro, progetta tre pezzi passe-partout, ma dalla forte identità. Il designer attinge a lavorazioni e decori della tradizione Poltrona Frau e li unisce a suggestioni sartoriali provenienti dalla moda. Classiche impunture e morbide pieghe valorizzano l'essenzialità sinuosa del design. Accostamenti materici fra tessuto e pelle danno effetti di grande eleganza.

**Removability.** Not provided, not even for the fabric version.

**Aesthetic details.** An ornamental Pelle Frau® leather band enriches the upholstery. In the 106×106 h37 and 121×45 h37 versions the ornamental band surrounds the base while in the 39×39 h46 version it has the look of a belt which interrupts the visual continuity of the upholstery. The band includes two leather loops bearing the Poltrona Frau logo. A leather piping edge outlines the profile of the footrest.
