

# Tato Collection

Enrico Baleri e Denis Santachiara | 1995-2001

Ironic design, appeal of the shape and the colorful covers,  
infinite versatility.

Flexible seating or footrest in ecological flexible polyurethane, CFC free, with internal anatomical rigid structure. There are two lateral slits to keep the elastic fabric in place. The cover is removable and comes in several colors.

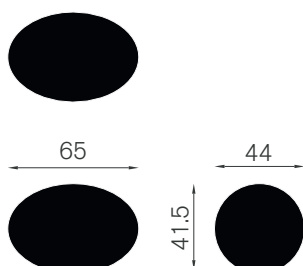

Materials:

Structure: ecological flexible polyurethane, CFC free, with internal anatomical rigid structure.

Cover: bi-elastic fabric.
