A Acero (essenza) Maple (essence) Ahorn (Holzart) Erable (essence)	>Per le scrivanie prodotte prima del mese di aprile 2007, il montaggio della penisola può essere possibile solo riducendo il puntale del cono di 15 mm. Sulle scrivanie prodotte dal Salone 2007 è già prevista una lavorazione sul puntale del cono che permette di montare la penisola. Angolazione penisola fissa a 90°. In fase di progetto e di ordine specificare esattamente la posizione della penisola (destra o sinistra). >Desks manufactured before April 2007 the assembly of the worktop may only be possible by reducing the tip of the cone by 15 mm (inch 0 1/2). On all the desks produced from 2007 Fair, an application on the tip of the cone allows the worktop to be inserted. Fixed worktop corner 90°. The worktop position (right end or left end) must be specified in the project and subsequent order.
