FLOW SLIM PADDED

Designer Jean Marie Massaud

Famiglia di sedute, di grande immagine e comfort, pensata per ambienti domestici, ufficio e comunità. Disponibile con un'ampia gamma di basamenti e finiture. Scocca: bianca o nera in polycarbonato che possono essere completate da un'imbottitura classica o la nuova "imbottitura XL". Basamenti: 4 gambe, slitta, 4 gambe acciaio, 4 gambe LEM, 5 razze con ruote (regolabile in altezza), 5 razze fissa, stelo, 4 gambe rovere VN, 4 gambe rovere. Pad imbottito opzionale.

SCocca

La scocca in polycarbonato, ottenuta per stampaggio a iniezione, è pigmentata in massa nei colori bianco o nero con duplice finitura: esterna lucida e interna microgoffrata.

VERSIONE IMBOTTITA

Le sedute Flow Chair e Flow Slim possono essere completate da una imbottitura: una controscozza termoformata e imbottita, con materassino di poliuretano e ovatta di poliestere trapuntati.

L'imbottitura XL è la naturale estensione dell'imbottitura classica, nuova trapuntatura con rivestimento che ricopre parzialmente schienale e braccioli, donando una nuova immagine e garantendo un comfort superiore.

Le versioni imbottite sono realizzabili in tessuto o pelle, sfoderabili.
