## PRODUCT INFO

DESIGNER: NAOTO FUKASAWA

TYPOLOGY: CHAIRS

COLLECTION: B&B ITALIA

YEAR: 2008

## DESCRIPTION

THE DESIGN OF THE NEW CHAIR EMPHASISES THE JAPANESE AIM OF THE DESIGNER AT GIVING PREFERENCE TO DETAILS, INCLUDING THE LESS NOTICEABLE ONES. THERE IS A BALANCE OF FORM, WHICH STARTS FROM THE CURVE OF THE BACK AND ARRIVES UNTIL THE LONG CONICAL SHAPE OF THE FRAME, IN THIS NEW CHAIR. THE BODY, CHARACTERIZED BY A CONSTANT THICKNESS, EXPANDS INTO THE SUPERIOR PART, ALLOWING A NATURAL POSTURE DURING RELAXING MOMENTS. THIS PIECE IS ALSO COVERED BY FABRIC AND LEATHER, AND ALSO HAS A REMOVABLE COVER THANKS TO A METALLIC ZIP THAT CHARACTERIZE ITS BACK.
