PRODUCT INFO

DESIGNER: ANTONIO CITTERIO

TYPOLOGY: LOW TABLES

COLLECTION: B&B ITALIA

YEAR: 2012

DESCRIPTION

A TABLE AND BENCH SET HAS BEEN THOUGHT OUT TO ACCOMPANY THE FRANK SEATS OF DIFFERENT CONFIGURATIONS. THEIR PARTICULAR DESIGN, ACCOMPANIED BY THE MATERIAL, BRUSHED THERMO-TREATED ASH WOOD, INTENTIONALLY CREATES A STRONG CONTRAST TO WHAT THE SOFAS COMMUNICATE. THE COMBINATIONS, WHICH WERE CREATED MORE FOR CONTRAST THAN FOR AFFINITY, ARE UNDERLINED WITH A ROUGH WOOD FINISHING. ANOTHER COMPLEMENT, A METAL SATIN VARNISHED COFFEE TABLE, IN SIX DIFFERENT COLOURS WITH GLOSSY TOP ARE AVAILABLE CREATE FURTHER WAYS TO BE DISPLAYED, APART FROM CHROMATIC.
