SMALL TABLES

Antonio Citterio

Description

A series of cabinets/ display elements and low tables destined to safeguard and exhibit the most precious objects with great elegance. Ideal for both homes and commercial spaces, to be placed also in the centre of the room, these pieces allow their contents to be viewed, extracted and repositioned easily with perfect order. Cabinets are available in one size (cm.180x50x80h.) and in three different versions with extractable trays and drawers; the low tables are available in two versions (cm.90x130x43h. and cm.180x130x43h.), both with extractable trays. The entire range pairs tops in transparent extra clear glass with painted metal structures in sophisticated colours: bronzed nickel, black chrome, graphite and amber. Shelves, drawers and extractable trays - the latter featuring a leather lining in colonial or dark brown leather - are available in natural wenge and oak in the different options in the collection: brushed light, brushed black, grey, smoked oak.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
