

POKE TABLE

DESIGN MASSIMO CASTAGNA

HENGE

STRUCTURE

Steel bent sheet 8 cm, thickness 0,3 cm thickness finish black
burnished, burnished Titanio, burnished Platino

TOP

Steel bent sheet thickness 0,3 cm finish black burnished, burnished
Titanio, burnished Platino

TECHNICAL DATA

Cm 55x44x52h

CARE AND MAINTENANCE OF METALS

Avoid leaving household liquids (oil, red wine, vinegar, etc.) on the surface. In particular, products that contain citric acid (present for example in fruit, citrus fruit and tomatoes) act on contact with the treated surface, removing its original sheen. Always clean stains while they are still fresh. For routine maintenance use a microfiber cloth and water. Do not use products containing acids, limescale removing substances or alcohol.
