
Spool

SMALL TABLES

Piero Lissoni

Description

Spool is a small table in printed and painted rigid polyurethane with a glossy finish which is available in 18 colours. With its recognisable shape and strong tones, Spool is a lively punctuation that celebrates and enhances the eclectic nature of the Dock system.

Technical information

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
