

WESTSIDE TAVOLINI

JEAN-MARIE MASSAUD (2019)

DESCRIZIONE

Westside è il sistema polimorfico che reinventa l'esperienza dell'area living: un insieme di moduli essenziali che, tramite un agile gioco di combinazioni, si propone come piccola isola riservata, classica configurazione angolare o ampio divano modulare destrutturato ed invitante. Espressione di un comfort assoluto è adatto ad ogni contesto: dal residenziale, alle aree pubbliche passando per l'hospitality. Un raffinato equilibrio di materiali, forme e differenti altezze contraddistingue i tavolini Westside che completano le collezioni.
