

design: Oscar Buratti, Gabriele Buratti, 2001

System of tables that combine an essential line with rich materials. An innovative panel forms the base of the table with a reflecting Deepglass® X1 interior, noble wood interior, mirror interior, bright black lacquered glass interior, and a bright polished steel exterior. Top in transparent glass with a central sandblasted square.

FINISHES

Deepglass® X1 interior in the colours: red and blue. Ebony, lauro preto or olive ash veneer interior, mirror galss and bright black lacquered glass interior also available.

TECHNICAL CHARACTERISTICS

- **BASE:** structural panel composed of steel sheet bent and covered with shiny stainless steel. Wood inside facing: 6-mm thick MDF panel veneered with ebony lauro preto or olive ash, matt transparent open pore acrylic finish. Deepglass X1® inside facing: 7-mm thick reflective panel.
- **CRYSTAL TOP:** 15-mm thick transparent float glass, sandblasted in the center, protective finish. Glossy ground edges.

MAINTAINANCE AND CLEANING

- **WOODEN PARTS:** gently rub down with a damp cloth (water only). Do not use alcohol or detergents.
- **CLEAR GLASS PARTS:** gently rub down with a damp cloth using any of the products currently available on the market for cleaning glass.
- **STEEL PARTS:** polish with a cloth dampened with water and immediately wipe with a dry cloth. Do not use brushes or sponges made of steel or scratchy materials.
- **DEEPLASS® PARTS:** polish with a cloth dampened with one of the glass cleaners normally found on the market. Do not use alcohol or detergents.

PRECAUTIONS

- Do not use in an improper way. In particular, do not climb or sit on it or rest heavy objects on it or any item for which the product has not been specifically designed.
