

VOLO

Design N_Lab

Letto tessile con testata e giroletto in legno multistrato da 18 mm, imbottito con poliuretano espanso e materassina in soffice piuma d'oca e completamente rivestito con cuffia in tessuto vellutino e stampa logo. Volo è arricchito da una preziosa cucitura ad X. **Volo è realizzato in tessuto o in pelle.**

Sfoderabile

Disponibile anche con base contenitore

La caratteristica cucitura ad X sul giroletto e sulla testata è realizzata in tono su tono con colore leggermente più scuro ed in gradazione rispetto al rivestimento scelto. In alternativa è realizzata con filato nero panna se richiesto.

Upholstered bed with headboard and bedframe in 18 mm plywood, padded with polyurethane foam and soft goose down mat, covered with velvet fabric with logo. Volo is enriched by a precious contrasting color x-shaped stitching. **Volo is available of fabric or leather.**

Removable Cover

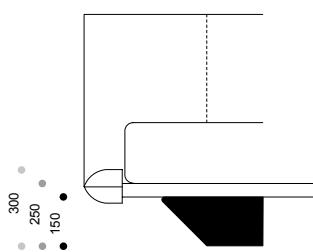

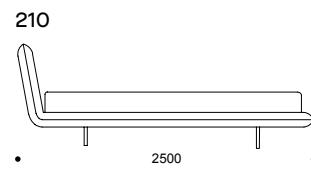

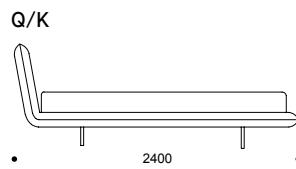

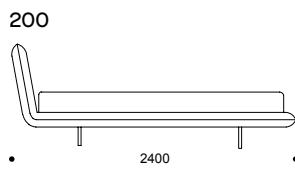

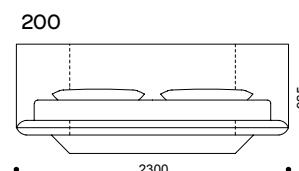

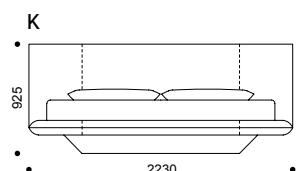

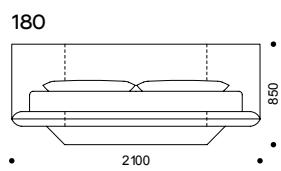

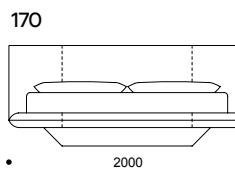

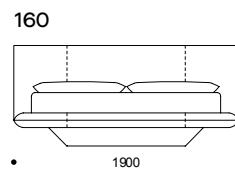

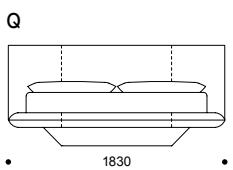

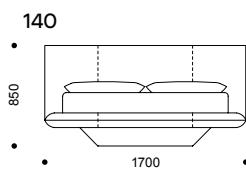

Also available with container base

The characteristic X-shaped stitching on the bed frame and headboard is made in tone on tone with a slightly darker color than the chosen covering. Alternatively it is made with black or cream yarn if requested.

Compatible sleep systems

- Perforated plywood top
- Orthopedic bed base with differentiated slats
- Top covered with micro springs
- Orthopedic wooden base with differentiated slats
- Orthopedic wooden bed base with adjustable rigidity slats

Volo 180
