## Stool on slide frame

### Base finish:

Polished chrome steel  
Lacquered steel in same colour as the seat

### Body finish:

White PBT (colour reference "White polypropylene PP01")  
Nero PBT (colour reference "Black polypropylene PP03")  
Beige PBT (colour reference "Beige polypropylene PP05")  
Coral red PBT (colour reference "Coral red polypropylene PP07")  
Light grey PBT (colour reference "Light grey polypropylene PP11")  
Zinc yellow PBT (colour reference "Zinc yellow polypropylene PP12")  
Meadow green PBT (colour reference "Meadow green polypropylene PP13")

### Note:

More than other colours, dark colours might undergo the intrinsic "shading" of the material, which is considered normal.

### FEET:

Standard in hard plastic.
