

YGRITTE Swivel Armchair

LE.CH.YGR

Description

Ygritte is a swivel armchair.

What distinguishes this armchair is the high back and the sinuous design.

The low seat makes Ygritte the perfect armchair for relaxing.

Its beauty can be found in the material combination: the external part of the seating is covered with leather, the inner part in suede Eco Nabuk.

The cone leg is covered with leather too.

The round base is laquered with a steel profile.
