

Designer Giuseppe Bavuso

The choice to call this bed 'Suite' certainly hasn't been a random one. The design of this bed has a princely, almost regal allure thanks to the headboard which is its dominant feature, characterized by its over large size which frames the structure of the bed itself. The bed comes in several sizes and is available in versions with base with storage compartment, handy for storing pillows, blankets and bed linens.

Suite Reel

Suite

- "- Headboard in solid fir, steam bent, hand smoothed, padded with high-support polyurethane foam of different densities. Covered with a sterilized goose down quilt. 100% cotton lining.
 - Bed edge frame in fir multilayer covered with polyurethane foam and fiber wadding.
 - Feet in cast aluminium (exclusive Alivar design), polished or painted as per our samples card.
 - Leather or fabric cover. Removable headboard cover by an expert for guidance only. Removable bed edge cover.
 - Sommier in birch multilayer with mm.25 bent slats with hardness adjuster for the lumbar area.
- Available also with storage base with lift-up slatted bed

frame (art. LSU2). (Available also with electric movement on demand).
