

BONALDO

Alley

Designer: **Giuseppe Viganò**

Un susseguirsi di linee rigide e forme morbide che culmina in un'armoniosa unione tra minimalismo ed estro creativo. Disegnata da Giuseppe Viganò, la sedia Alley si distingue per una struttura metallica audace e una presenza discreta ma distintiva. L'alternarsi di pieni e vuoti conferisce dinamismo e

continuità alla seduta, mentre le gambe sottili donano serietà e leggerezza. Lo schienale basso completa il design pulito e leggero di Alley e bilancia la struttura, enfatizzandone uno stile contemporaneo.
