

Armchair and two-seater sofa.

Structure: dyed oak heartwood, spacers in plastic and felt.

Structural cover: consisting of two layers of Piqué fabric, between which a polyester support net and a thermoformed ABS seat are inserted.

Padding: recycled and biodegradable polyester fibre, stress resistant expanded polyurethane insert for the seat cushion only, and fixed foam covering in polyester and polyamide.

Upholstery cover: removable and available in a selection of indoor fabrics in the collection.

Notes:

The cover is connected to the structure by means of hidden cords that design the curved surface of the structure.

Seat and back cushions are simply arranged onto the structure.
