

CODE

DESCRIZIONE

Code è un sistema trasversale che offre una libertà di progettazione senza precedenti. Pensato per il living contemporaneo si estende anche alla zona notte, dove boiserie, contenitori sospesi e mensole sono reinterpretati come elementi a sé o in combinazione ad armadi e cabine armadio. A completare il sistema, una collezione di madie da configurare libera-mente – scegliendo tra vani a giorno, vetrine, cassetti, ante battenti o a ribalta. La versatilità del sistema si esprime anche attraverso la varietà di finiture, da personalizzare fino al singolo componente.
