

LAGOON SOFA

Il sistema componibile Lagoon, disegnato da Emmanuel Gallina, è ispirato al mondo della nautica e all'estetica delle barche a vela. La base dogata è in teak, mentre lo schienale in corda richiama, con il suo aspetto naturale, il sartiame delle barche. A rendere ancora più confortevole il divano è la combinazione di una doppia cuscinatura, fissa e mobile, che assicura tutta l'accoglienza che ci si aspetta da una seduta pensata per il relax all'aria aperta.

The Lagoon modular system, designed by Emmanuel Gallina, draws inspiration from sailing, embracing the elegance of sailboats. Its slatted teak base reflects classic nautical craftsmanship, while the rope-woven backrest, inspired by boat rigging, adds a maritime touch. A dual cushioning system—both fixed and movable—boosts the sofa's comfort, striking the perfect balance between support and relaxation for outdoor living.

Nella pagina precedente divano Lagoon composizione ad angolo, nella successiva divano Lagoon lineare, entrambi con base in massello di teak e schienale in corda ritorta naturale, piedini verniciato goffrato oxid. Rivestimento sfoderabile in tessuto Nashi 05 corda, cuscini in tessuto Mojave 01 corda.

On the previous page Lagoon sofa corner composition, on the next page Lagoon linear sofa, both with base in solid teak and backrest in twisted rope naturale, feet in embossed painted oxid. Removable cover in fabric Nashi 05 corda, cushions in fabric Mojave 01 corda.

LAGOON
